

Miix 520 Windows 2-in-1 Quad-Core i5 and Quad-Core i7

The Lenovo™ Miix 520 is a versatile 2-in-1 PC for you to take anywhere. With its sleek design, unique watchband hinges, and outstanding performance – you can rely on the Miix 520 to power you through any situation.

Design That Stands Out

With a premium one-piece aluminum design, the Miix 520 is bound to attract attention. This detachable 2-in-1 easily transitions from tablet to laptop to support you wherever you go.

Everything You Need To Stay Productive

With the blazing-fast performance and built-in security of up to the 8th Gen Intel® Core™ i7 processors, the Miix 520 is ready to take your productivity and creativity to the next level. Now, you can power through tasks like creating/editing documents and photos, plus so much more.

Easy to Type, Easy to Work

The detachable backlit keyboard has 1.5mm of key travel to closely replicate the feeling of typing on a laptop. And it doubles up as a folio case to protect the screen when you are on the move.
